## 2026 Spring Catalog

# Introducing the exciting NIQUEA.D 2026 SPRING SEASONAL COLLECTION

Dominique Schurman  
Founder and Creative Visionary

For this season we have focused on highly embellished designs that add an exceptional dimension to the collection for each season. The designs are art driven, playful, interactive and feature a unique blend of special features. From keepsake ornaments, to laser cut wood on our signature velvety finish, to jazzy concepts like our 'wild about you' velvet biker jacket, we cover the full range of fun and whimsical to elegant and sophisticated designs. Each greeting card has been thoughtfully created with special enhancements and with touching, heartfelt sentiment.

We hope that these gorgeous designs will inspire a broad base of customers to find a card that touches them and that sparks an emotional connection with the NIQUEA.D brand.

Also, look for our NIQUEA.D iconic brand logo, the magical, mystical unicorn, throughout the catalogue. These highlight my personal favorites in each season.
